TestPrep User Guide – Participants

Step 1: Log in to your account

1. Log in to the link below to register for the test prep

<https://testprep.cloudthat.com/login/signup.php> .

2. Fill in all the details to register using your **Registered Email address**.

The screenshot shows the 'New account' registration page for cloudthat. At the top left is the cloudthat logo with the tagline 'move up.' Below it, the heading 'New account' is displayed. To the right is a 'Collapse all' link. The form contains four input fields: 'Username' (with a red exclamation mark), 'Password' (with a red exclamation mark), 'Email address' (with a red exclamation mark), and 'Email (again)' (with a red exclamation mark). A note below the password field specifies the required password complexity: 'The password must have at least 8 characters, at least 1 digit(s), at least 1 lower case letter(s), at least 1 upper case letter(s)'. All fields are represented by empty text input boxes.

Step 2: Navigate Home Page/Create Account

1. You will land on the home page of the site. Click **My Home** from the **panel** and fill in your details, as shown in the **screenshot**.

The screenshot shows a user profile edit page. At the top, there is a circular profile picture placeholder with the letters 'rd'. To its right, the username 'rahul_demo' is displayed. Below this, a navigation bar includes links for 'Dashboard', 'Preferences', 'User account', and 'Edit profile'. The main content area is titled 'Edit profile' and contains a section titled 'General'. Under 'General', there are four input fields: 'First name', 'Surname', 'Email address', and 'Email display'. Each of these fields has a red error icon to its left and a detailed error message below it: 'Missing given name' for 'First name', 'Missing surname' for 'Surname', and 'Required' for both 'Email address' and 'Email display'. A dropdown menu for 'Email display' is partially visible.

Step 3: Click on the link given here to access the course:

<https://testprep.cloudthat.com/course/view.php?id=4371>

Step 4: Enter the Enrollment key (code) “**KISYStfH**” in the space provided.

AWS Data Engineer Batch 1 (2nd Feb – 9th Feb'26)

Enrolment options

AWS Data Engineer Batch 1 (2nd Feb – 9th Feb'26) 🔒

Teacher: Nitin Kamble

An enrolment key will be required.

Enrol me

Step 5: You will be able to access the assessments.

Note:

Please ensure there is no blank space when pasting the enrollment key.

You cannot resume from the same question if you log out and log in again.
